

UNITED STATES INTERNATIONAL TRADE COMMISSION
Washington, D.C.

Before the Honorable Bryan F. Moore
Administrative Law Judge

In the Matter of

**CERTAIN TRANSFORMERS AND
COMPONENTS THEREOF**

Investigation No. 337-TA-1517

JOINT STATEMENT PROPOSING A TARGET DATE

Pursuant to Order No. 3, Complainant Ayr Energy, Inc.; Respondents Zetwerk Manufacturing Businesses Private Limited, Zetwerk Manufacturing USA Inc., KRYFS Power Components Ltd., and Unimacts Global, LLC; and the Commission Investigative Staff propose a **16-month target date**, that is, December 19, 2027. The notice of institution was published in the Federal Register on August 19, 2026. *See* 91 Fed. Reg. 53631 (Aug. 19, 2026).

A 16-month target date meets the Section 337 mandate that the Commission “conclude any such investigation and make its determination under this section at the earliest practicable time.” 19 U.S.C. § 1337(b)(1). Moreover, the parties and allegations in this litigation substantially overlap with concurrent and ongoing litigation in Texas state court. *See* Compl. ¶ 157; *Texas Unimacts Global, LLC, Zetwerk Manufacturing USA Inc., and Zetwerk Manufacturing Businesses Private Limited v. Ayr Energy Inc.*, Cause No. 25-BC11A-0083 (Texas Business Court, Eleventh Division). Counsel in the Texas case are the same as in this Investigation. As a result, counsel has a head start on the technology, relevant issues, and sources of discovery. Finally, the Commission did not delegate the public interest inquiry to the Administrative Law Judge (“ALJ”).

These efficiencies render a 16-month target date both practicable and appropriate. Therefore, the parties respectfully request that the ALJ set a 16-month target date, that is, December 19, 2027.

Dated: September 2, 2026

Respectfully submitted,
