Re: *Certain Secondary Cylindrical Batteries, Components Thereof, and Products Containing the Same*

Dear Secretary Barton:

Enclosed for filing, please find documents in support of a request by LG Energy Solution Ltd. and LG Energy Solution Arizona, Inc. (“Complainants”) that the U.S. International Trade Commission institute an investigation pursuant to Section 337 of the Tariff Act of 1930, as amended, concerning certain secondary cylindrical batteries, components thereof, and products containing the same.

There is no confidential business information contained in the complaint itself, but we have included a separate letter requesting confidential treatment for eight (8) exhibits included with this filing.

Complainants’ submission via EDIS includes the following:

1. One (1) electronic copy of the Complainants’ Verified Complaint, pursuant to Commission Rule 210.8(a)(1)(i).
2. One (1) electronic copy of the public exhibits to the Verified Complaint pursuant to Commission Rules 210.8(a)(1)(i) and 210.12(a)(9), including:
 - a. one (1) electronic copy of each of United States Patent Nos. 8,420,257 (“the ’257 patent”), 11,749,866 (“the ’866 patent”), 12,412,924 (“the ’924 patent”), 12,412,965 (“the ’965 patent”), and 12,646,735 (“the ’735 patent”), copied of which are respectively included as Exhibits 2, 5, 7, 9,

and 11 to the Verified Complaint pursuant to Commission Rule 210.12(a)(9)(i);¹

- b. one (1) electronic copy of the assignment records for each of the '257, '866, '924, '965, and '735 patents, copies of which are respectively included as Exhibits 3, 6, 8, 10, and 12 to the Verified Complaint, pursuant to Commission Rule 210.12(a)(9)(ii).²
- 3. One (1) electronic copy of the confidential exhibits to the Verified Complaint pursuant to Commission Rules 201.6(c) and 210.8(a)(1)(ii).
- 4. One (1) electronic copy of the prosecution history for each of the '257, '866, '924, '965, and '735 patents, which are respectively identified as Appendices A, D, F, K, and N to the Verified Complaint, pursuant to Commission Rule 210.12(c)(1).³
- 5. One (1) electronic copy of the prosecution history for priority applications for each of the '257, '866, '924, '965, and '735 patents, which are respectively identified as Appendices B, C, E, G-J, L, M, O-U to the Verified Complaint, pursuant to Commission Rule 210.12(c)(2).
- 6. A letter and certification requesting confidential treatment for the information contained in Confidential Exhibits 13, 23-29 to the Verified Complaint, pursuant to Commission Rules 210.6(b) and 210.5(d).
- 7. A Statement on the Public Interest regarding the remedial orders sought by Complainants in the Verified Complaint, pursuant to Commission Rule 210.8(b).

Please contact me with any questions regarding this filing.

¹ Complainants have ordered but not yet received certified copies of the '257, '866, '924, '965, and '735 patents from the USPTO. Complainants will provide certified copies of these patents as soon as they receive them.

² Complainants have ordered but not yet received certified copies of the patent assignment records for the '257, '866, '924, '965, and '735 patents from the USPTO. Complainants will provide certified copies of the patent assignment records as soon as they receive them.

³ Complainants have ordered but not yet received certified copies of the prosecution histories of the '257, '866, '924, '965, and '735 patents from the USPTO. Complainants will provide certified copies of the prosecution histories as soon as they receive them.

REQUEST FOR CONFIDENTIAL TREATMENT

July 21, 2026

FILED VIA EDIS

The Honorable Lisa R. Barton
Secretary
U.S. International Trade Commission

Washington, DC 20436

Re: *Certain Secondary Cylindrical Batteries, Components Thereof, and Products Containing the Same*

Dear Secretary Barton:

Pursuant to Commission Rule 201.6, Complainants LG Energy Solution Ltd. and LG Energy Solution Arizona, Inc. respectfully request confidential treatment of certain confidential business information contained in Confidential Exhibits 13, 23-29 to the Verified Complaint.

The information in the exhibits for which Complainants seek confidential treatment consists of proprietary commercial information, including confidential and proprietary licensing information and financial data regarding Complainants' domestic investments in plant, equipment, labor, and capital related to domestic articles protected by Complainants' asserted patents.

The proprietary information described herein qualifies as confidential business information under Commission Rule 201.6 because substantially identical information is not available to the public, because the disclosure of this information would cause substantial competitive harm to Complainants, and because the disclosure of this information would likely impede the Commission's efforts and ability to obtain similar information in the future.

Thank you for your attention. Please contact me with any questions regarding this request for confidential treatment.

Respectfully submitted

Investigation No. 337-TA- _____

CERTIFICATION

I, S. Alex Lasher, counsel for Complainants LG Energy Solution Ltd. and LG Energy Solution Arizona, Inc., declare as follows:

1. I am duly authorized by Complainants to execute this certification.
2. I have reviewed Confidential Exhibits 13, 23-29 to Complainants' Verified Complaint, for which Complainants seek confidential treatment.
3. Confidential Exhibit 13 is a confidential list of licensees to one or more of the Asserted Patents. Disclosure of this information to the public would cause substantial harm to Complainants and their competitive position. Disclosure of this information would also impair the Commission's ability to obtain information necessary to perform its statutory function.
4. Confidential Exhibit 23 is a confidential declaration concerning Complainants' domestic investments in plant, equipment, labor, and capital related to domestic articles protected by Asserted Patents. Disclosure of this information to the public would cause substantial harm to Complainants and their competitive position. Disclosure of this information would also impair the Commission's ability to obtain information necessary to perform its statutory function.
5. Confidential Exhibits 24-29 are confidential domestic industry claim charts for Complainants' batteries to the United States Patent Nos. 8,420,257 ("the '257 patent"), 11,749,866 ("the '866 patent"), 12,412,924 ("the '924 patent"), 12,412,965 ("the '965 patent"), and 12,646,735 ("the '735 patent"). Exhibit 24C-29C contain images of the internal confidential batteries. Disclosure of this information to the public would cause substantial harm to Complainants and their competitive position. Disclosure of this information would also impair the

Commission's ability to obtain information necessary to perform its statutory function.

6. To the best of my knowledge, information, and belief, founded after a reasonable inquiry, substantially identical information to that contained in the exhibits is not available to the public.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 21st day of July 2026 in Washington, D.C.
