**Re: *Certain Dynamic Random Access Memory (DRAM) Devices,
Products Containing the Same, and Components Thereof (III)*,
Inv. No. 337-TA-____ (Docket 3930)**

Dear Chair Doyle:

With respect to the above-referenced investigation, non-parties former Commissioner, former judges, and law professors who specialize in patent law and remedies respectfully request for leave to file the attached comment on the public interest in response to the Notice of Receipt of Complaint; Solicitation of Comments Relating to the Public Interest, 91 F.R. 53278 (August 17, 2026).

We filed the attached comment on August 28, 2026. The Office of the Secretary informed us submissions by non-parties were to be filed on August 25, 2026, and directed us to submit a request to the Chair for leave to file out of time our comment on the public interest.

We respectfully request that the Commission grant leave to submit our comment out of time because (1) of our ability as a former Commissioner, former judges, and law professors to provide a disinterested analysis of the public interest issues in this investigation, (2) it will ensure a fulsome public interest record on which the Commission will evaluate public interest issues, and (3) the lack of any prejudice to any of the parties by a filing by a former Commissioner, former judges, and law professors on the public interest out of time.

Thank you for your consideration.

Respectfully submitted,
