Inv. No. 337-TA-563

STATEMENT OF CONTINUED USE OF TRADEMARK

I Maurice Dayan am the President of Roadmaster (USA) Corp. (“Roadmaster”). I am fully aware and have personal knowledge of Roadmaster’s complaint filed on March 14, 2006 against Sinochem Nigbo, Ltd. (“Sinochem”) and the Limited Exclusion Order issued in response on November 9, 2006.

I have reviewed the Limited Exclusion Order filed in this action on November 9, 2006 and understand that this action was started on March 14, 2006. The Order requires Roadmaster to file a written statement with this Commission each year on the anniversary of the issuance of this Order stating whether Roadmaster continues to use the JUMP N START trademark (U.S. Trademark Registration No. 2,594,538) in connection with portable power stations and packaging thereof and whether the trademark has been abandoned, canceled, or rendered invalid or unenforceable.

In response to paragraph 4 of the Limited Exclusion Order issued by this Commission, I hereby certify that the JUMP N START trademark (U.S. Trademark Registration No. 2,594,538) in connection with portable power stations and packaging therefor continues to remain in use by Roadmaster and has not been abandoned, canceled, nor rendered invalid or unenforceable.

Therefore, Roadmaster remains entitled to the relief set forth in this Commission's Limited Exclusion Order preventing the unlicensed entry of infringing portable power stations and packaging therefor by or on behalf of, or imported by or on behalf of, Sinochem into the United States, entry for consumption from a foreign-traded zone, or withdrawal from a warehouse for consumption.
