

**UNITED STATES INTERNATIONAL TRADE COMMISSION
WASHINGTON, DC**

**Before the Honorable Bryan F. Moore
Administrative Law Judge**

In the Matter of

**CERTAIN TRANSFORMERS AND
COMPONENTS THEREOF**

Investigation No. 337-TA-1517

**RESPONDENTS ZETWERK MANUFACTURING BUSINESSES LIMITED, ZETWERK
MANUFACTURING USA INC., KRYFS POWER COMPONENTS LTD., AND
UNIMACTS GLOBAL, LLC’S MOTION TO EXTEND DEADLINE TO ANSWER**

Ground Rule 5.1 Certification

Pursuant to Ground Rule 5.1, counsel for Respondents Zetwerk Manufacturing Businesses Limited, Zetwerk Manufacturing USA Inc., KRYFS Power Components Ltd., and Unimacts Global, LLC certify that they conferred with counsel for Ayr Energy, Inc., and the Commission Investigative Attorney (“Staff”) prior to filing this Motion. Neither Ayr Energy, Inc. nor Staff oppose this Motion.

Pursuant to Commission Rules 210.13(a), 201.14(a), 210.15(d), 201.16(e), and Ground Rule 2, Respondents Zetwerk Manufacturing Businesses Limited, Zetwerk Manufacturing USA Inc., KRYFS Power Components Ltd., and Unimacts Global, LLC (collectively, “Respondents”) respectfully move for an extension until September 29, 2026¹ to file their Responses to the

¹ The requested extension is calculated based on the Response deadline for Unimacts Global, LLC, which is currently September 8, 2026. For the avoidance of doubt, the requested September 29 deadline would apply to all Respondents.

Complaint and Notice of Investigation. Complainant and Staff do not oppose Respondents' request.

Commission Rule 210.13(a) vests the Administrative Law Judge with the authority to determine when responses to the Complaint and Notice of Investigation are due. Unopposed motions for modest extensions of time are routinely granted. *See, e.g., Certain Compact Wallets and Components Thereof*, Inv. No. 337-TA-1355, Order No. 4 (Mar. 29, 2023) (granting unopposed motion to extend time to respond to Complaint and Notice of Investigation by 14 days); *Certain Location-Sharing Systems, Related Software, Components Thereof, and Products Containing Same*, Inv. No. 337-TA-1347, Order No. 4 (Jan. 3, 2023) (granting unopposed motion to extend time to respond to Complaint and Notice of Investigation).

Further, good cause exists to grant the requested extension. Granting the extension will result in a unified deadline for all Respondents, each of whom was served on a different date and thus have differing response times, especially in view of the fact that two (Zetwerk Manufacturing USA Inc. and Unimacts Global, LLC) are domestic Respondents and two (Zetwerk Manufacturing Businesses Limited and KRYFS Power Components Ltd.) are foreign Respondents. It will also permit Respondents to more fully investigate the allegations in the Complaint, compile the information requested by Commission Rule 210.13(b), and explore and develop potential defenses. The requested extension will not prejudice any party because the Investigation has just begun, no procedural schedule has issued, and no party opposed the instant request.

For good cause shown, Respondents respectfully request that the deadline for their Responses to the Complaint and Notice of Investigation be extended to September 29, 2026.
