Pursuant to 19 U.S.C. § 1337(g)(1) and 19 C.F.R. § 210.16(c)(1), complainant Roadmaster (USA) Inc. hereby declares that it is seeking immediate entry of relief against Respondent Sinochem Ningbo LTD (“Sinochem”). On July 12, 2006, Sinochem was found in default for failing to respond to the Complaint, Notice of Investigation, and Order to Show Cause (See Order No. 5: Initial Determination Finding Respondent Sinochem in Default Pursuant to Commission Rule 210.16). On July 21, 2006, the Commission issued a notice declining to review that initial determination. Accordingly, Complainant requests the entry of a limited exclusion order barring the importation into the United States of portable power stations and packaging therefore manufactured by Sinochem covered by U.S. Patent No. D469,739, U.S. Trademark Registration No. 2,594,538 and U.S. Copyright Registration No. VA-1-261-495.

PHL:5403806.1/ROA007-220391

be supplied by the Complainant or other noninfringing alternatives. Third, portable power stations are not the type of product that have raised public interest concerns in the past.

Respectfully submitted,
