*ZDNET: Reprinted with permission. © 2025 Ziff Davis, LLC. All Rights Reserved.

® For a limited time only, on Samsung.com/Shop Samsung App, or purchase a new qualifying Galaxy device ("Qualifying Purchase"), send in your qualifying trade-in device to Samsung through the Samsung Trade-In Program, and if Samsung determines your trade-in device meets all eligibility requirements, you will receive a trade-in credit specific to your qualifying trade-in device to apply toward your Qualifying Purchase. Device models that currently qualify for trade-in and trade-in credit amounts associated with those models are available on Samsung.com and the Shop Samsung App; eligible models and amounts may change at Samsung's sole discretion. To be eligible for trade-in, your qualifying device must meet all Trade-In Program eligibility requirements, which include, but are not limited to, that the device powers on, holds a charge, and does not power off unexpectedly; has a functioning display; has no breaks or cracks in the screen (unless a cracked screen offer applies); has no breaks or cracks in the case; has no liquid damage (whether visible or not); has no other defects that go beyond normal wear and tear; is not on a black list; has a verified FCC ID; has been reset to factory settings; has all personal information removed; has all software locks disabled; and is owned by you (leased devices are not eligible). Anticipated trade-in value will be applied as a credit at time of purchase, but, if you do not send in your trade-in device within 15 days of receipt of your Qualifying Purchase, you will be charged back for the trade-in credit applied to your purchase, or if you send in your trade-in device within 15 days of receipt of your Qualifying Purchase but Samsung determines your device does not meet all eligibility requirements, you will be charged back for the trade-in credit applied to your purchase minus \$25. Participation in this program does not excuse you from contracts with your carrier or retailer (or any related payments or fees) for the device that was traded in. Limit 1 trade-in per Qualifying Purchase. Samsung reserves the right to modify or discontinue this offer at any time. The Trade-In Program cannot be combined with any other Samsung, carrier or retailer promotions, discounts, or offers unless specifically provided for in the terms and conditions of such offers. Additional terms, including terms that govern the resolution of disputes, apply.

C

MY NETWORK SPEED (HIGH) ▾

1. Samsung Account login may be required to use certain Samsung AI features. Galaxy AI features will be provided for free until the end of 2025 on supported Samsung Galaxy devices. Different terms may apply for AI features provided by third parties.
2. Compatible with select apps. Requires Google Gemini account. Results may vary based on input; check responses for accuracy.
3. Results may vary depending on shooting conditions including multiple subjects, being out of focus or moving subjects.
4. Compared to previous models.
5. Based on Samsung Internal lab test conditions with pre-release version of given model connected to earphone via Bluetooth under default settings over LTE. Estimated against battery capacity and measured current over battery power consumption during video playback (video file resolution 720 p, saved on device), respectively. Actual video playback times vary by network connection, settings, file format, screen brightness, battery condition and many other factors.
6. Armor Aluminum Frame does not include volume and side keys or SIM tray.
7. Measured diagonally in full rectangle. Actual viewable area is less due to rounded corners and/or camera hole. Measured diagonally, Galaxy S25's screen size is 6.2" in the full rectangle and 6.0" accounting for the rounded corners, Galaxy S25+'s screen size is 6.7" in the full rectangle and 6.5" accounting for the rounded corners, and Galaxy S25 Ultra's screen size is 6.9" in the full rectangle and 6.8" accounting for the rounded corners; actual viewable area is less due to the rounded corners and/or camera hole.
8. Based on average battery life under typical usage conditions. Average expected performance based on typical use. Actual battery life depends on factors such as network, features selected, frequency of calls, and voice, data, and other application usage patterns. Results may vary. Charger not included. Use only Samsung approved chargers and cables. Do not use worn or damaged chargers or cables. An incompatible charger or cable can cause damage to your device and/or serious injuries.
9. Color availability may vary depending on country or carrier.
10. Corning® Gorilla® Glass Victus® 2 is applied to the front and rear of the device.
11. Based on lab test conditions for submersion in up to 1.5 meters of freshwater for up to 30 minutes and for protection against a solid object greater than 1 mm such as a wire. Not advised for beach or pool use. Water resistance of device is not permanent and may diminish over time because of normal wear and tear. Not dust- or sand-resistant.
12. Gemini is a trademark of Google LLC. Results for illustrative purposes. Gemini Live feature requires Internet connection and Google account login. Service availability may vary by country, language, device model. Features may differ depending on subscription and results may vary. Compatible with certain features and certain accounts. Only available to users 18 years or older. Accuracy of results is not guaranteed.
13. Gemini is a trademark of Google LLC. Terms apply. By subscribing, you agree to terms for Google One, AI Credits and offers. Offer ends 1/31/2026. Only available for ages 18+. Unless canceled earlier, Google One will charge \$19.99/mo after the trial ends. Cancel anytime. Return of purchased device may result in cancellation of subscription. See full terms at <https://one.google.com/offer/terms-and-conditions/samsung-s25-6month-trial>
14. Now Brief requires Wi-Fi connection, and Samsung and Google accounts. Galaxy AI features track data and require a compatible Galaxy wearable device (sold separately), Samsung Health app and Samsung account.
15. Google is a trademark of Google LLC. Sequences shortened and simulated. Results for illustrative purposes only. Service availability may vary by country, language, device model. Requires Internet connection. Users may need to update Android and Google app to the latest version. Works on compatible apps and surfaces. Results may vary depending on visual matches. Accuracy of results is not guaranteed. Works on compatible apps and surfaces, and with ambient music only. Will not identify music coming through headphones or if phone volume is off. Results may vary depending on audio matches.
16. Compatible with common video formats accessible in Gallery; helps minimize six sounds (Voice/speech, Music, Noise, Crowd, Nature, Wind). Results vary.
17. Maximum length per clip to be edited using Auto Trim for Photo Assist is 90 minutes. Maximum length of combined clips to be edited using Auto Trim for Photo Assist is 180 minutes. Maximum number of clips to be edited per video project is 60 clips. Accuracy of results is not guaranteed.
18. Energy Score is available on Android phones (Android 11 or above) and requires Samsung Health app (v6.27 or above). Samsung Account login required. Service availability may vary by country, region, language. To check the Energy Score, the health data tracked from Samsung Galaxy Watch (Galaxy Watch4 series and later models using OS 5.0 or above) or Samsung Galaxy Ring must be synchronized with the Samsung Health App. Needs at least the previous day's activity data and sleep, and heart rate data during sleep. Not intended for use in detection, diagnosis, treatment of any medical condition. The result is for your personal reference only. Please consult a medical professional for advice.
19. Galaxy Watch and Galaxy Ring devices sold separately.
20. Knox Matrix is supported on Galaxy smartphones and tablets One UI 7.0 or above. Availability may vary by country or region.
21. Optical quality zoom is enabled by the Adaptive Pixel sensor. 3x distance is optical zoom. 2x distance is optical quality zoom.
22. Compared to Galaxy S24 and S24+.
23. AP performance improvements apply to Galaxy S25+ and are compared to Galaxy S24+. Actual performance will depend on user environment conditions and pre-installed software and

20. Knox Matrix is supported on Galaxy smartphones and tablets One UI 7.0 or above. Availability may vary by country or region.
21. Optical quality zoom is enabled by the Adaptive Pixel sensor. 3x distance is optical zoom. 2x distance is optical quality zoom.
22. Compared to Galaxy S24 and S24+.
23. AP performance improvements apply to Galaxy S25+ and are compared to Galaxy S24+. Actual performance will depend on user environment, conditions and pre-installed software and applications.
24. Wuthering Waves is a trademark and/or registered trademark of Kuro Games. Available for download at Galaxy Store now. Artworks are copyrighted and Kuro Games enjoys the exclusive rights. Service availability may vary by country, language, device model.
25. Snapdragon branded products are products of Qualcomm Technologies, Inc. and/or its subsidiaries.
26. Available on Galaxy S25+ and Galaxy S25 Ultra only; requires screen resolution setting to QHD+.
27. Storage options and availability may vary by carrier, country or region. Actual storage availability may vary depending on pre-installed software.
28. Some functional widgets may require a network connection and/or Samsung Account login. Availability of functions supported within the apps may vary by country.
29. Wired transfers from Android™ devices require the receiving device to have Android™ 4.3 or later and the sending device to have Android 4.3™ or later. Transfers can be completed without a cable through a wireless connection. For wireless connections, the receiving device must have Android™ 4.0 or later and the sending device must have Android™ 4.0 or later. Open Smart Switch Mobile in “Settings” on the receiving Galaxy device or download the Smart Switch Mobile app from the Galaxy Store. Data, content and apps available for transfer may vary by transmission method.
30. Wired transfers from iOS require the receiving device to have Android™ 4.3 or later and the sending device to have iOS 5 or later. Transfers can be completed without a cable through a wireless connection or iCloud. For wireless connections, the receiving device must have Android™ 4.0 or later and the sending device must have iOS 12 or later. iCloud transfers require the receiving device to have Android™ 4.0 or later and the sending device to have iOS 5 or later. Open Smart Switch Mobile in “Settings” on the receiving Galaxy device or download the Smart Switch Mobile app from the Galaxy Store. For wireless transfers, download Smart Switch for iOS from the App Store on your iPhone or iPad. Data, content and apps available for transfer may vary by transmission method. Contacts, gallery, videos, calendars and reminders can be transferred wirelessly from an iOS device.
31. It is recommended to use a wired connection when transferring diverse sets of data at once.
32. Galaxy Buds3, Galaxy Ring, Galaxy Watch7 and Galaxy Tab S10+ devices sold separately.
33. Samsung Care+ with Loss and Theft is a combination of insurance and service contract. The insurance plan is underwritten by Technology Insurance Company, Inc., 59 Maiden Lane, 43rd Floor, New York, NY 10038, and administered by Servify (US) Inc., 5608 17th Ave. NW, Seattle, WA 98107, a licensed agent of Technology Insurance Company. In California, the insurance plan is administered by Servify d/b/a Servify Device Insurance Solutions (License # 6006231). The company obligated under this service contract in the District of Columbia and all states, except Florida, is Northcoast Warranty Services, Inc., located at 800 Superior Ave E., 21st Floor, Cleveland, OH 44114. In Florida, the company obligated under this service contract is Technology Insurance Company (License No. 03605). This service contract is administered by Servify.
34. Same-day screen repairs may be available for eligible devices in select areas. Repair options depend on claim approval time, parts availability, technician availability and location. Cracked screen repairs are \$0 per claim with Theft and Loss and \$29 per claim for Care+. Limitations and exclusions apply. Please see your terms and conditions for full coverage details.
35. Unlimited Accidental Damage from Handling. Additional restrictions may apply. Repair eligibility is subject to change. Unlimited battery repair subject to diagnostics test confirming 79% or less battery capacity. Service fees may apply. Unlimited claims for mechanical failure. Please see plan terms and conditions for full coverage details.
