

**UNITED STATES INTERNATIONAL TRADE COMMISSION
WASHINGTON, D.C.**

**Before the Honorable Doris Johnson Hines
Administrative Law Judge**

In the Matter of:

CERTAIN WEARABLE DEVICES

Investigation No. 337-TA-1478

**RESPONDENTS' UNOPPOSED MOTION
FOR EXTENSION OF TIME TO RESPOND TO THE
COMPLAINT AND NOTICE OF INVESTIGATION**

Pursuant to Commission Rule 210.13(a) and 210.15(d), Respondents Ouraring, Inc. and Ōura Health Oy (“Moving Respondents”) move for an extension of time up to and including February 16, 2026, to file Responses to the Complaint and Notice of Investigation.

Pursuant to **Ground Rule 5.1**, Moving Respondents certify that they provided notice to Complainants Samsung Electronics Co., Ltd. and Samsung Electronics America, Inc. (“Complainants”) of their intent to file this motion. Complainants indicated that they do not oppose this motion.

Good cause supports the Moving Respondents’ requested extension. The extension until February 16, 2026, will give the Moving Respondents the necessary time to review and analyze the allegations in the Complaint and provide fulsome responses.

Commission Rule 210.13(a) vests the Administrative Law Judge with the authority to determine when responses to the Complaint and Notice of Investigation are due. Unopposed motions for extensions of time to respond to a Complaint are routinely granted. *See, e.g., Certain Glass Substrates for Liquid Crystal Displays, Prods. Containing the Same, & Methods for Mfg. the Same*, Inv. No. 337-TA-1433, Order No. 4 (Feb. 10, 2025) (granting unopposed motion to

extend time to respond to Complaint and Notice of Investigation by all Respondents). Furthermore, given the early stage of the Investigation, no prejudice will arise from this extension, and it will not affect or delay any other date in this proceeding. *See, e.g., Certain Vaporizer Cartridges & Components Thereof*, Inv. No. 337-TA-1211, Order No. 21 (Oct. 6, 2020); *Certain Percussive Massage Devices*, Inv. No. 337-TA-1206, Order No. 5 (Aug. 5, 2020). Granting the requested extension would not prejudice any party, as the investigation has just recently been instituted and the procedural schedule has not yet issued.

For good cause shown and there being no opposition, the Moving Respondents respectfully request that the ALJ grant this motion.

Dated: January 28, 2026
