CERTAIN WEARABLE DEVICES

Inv. No. 337-TA-1478

ORDER NO. 5: GRANTING EXTENSION MOTION

(January 28, 2026)

Respondents move for an extension of time through February 16, 2026, to respond to the complaint and notice of investigation. Motion Docket No. 1478-001 (EDIS Doc. ID 870429). The motion represents that Complainants do not oppose. *Id.* at 1.

“Except as provided in § 210.59(a) and unless otherwise ordered in the notice of investigation or by the administrative law judge, respondents shall have 20 days from the date of service of the complaint and notice of investigation, by the Commission under § 210.11(a) or by a party under § 210.11(b), within which to file a written response to the complaint and the notice of investigation.” 19 C.F.R. § 210.13(a). Here, the notice of institution issued on January 14, 2026, and published in the Federal Register on January 16, 2026. Notice of Institution of Investigation (EDIS Doc. ID 868875) and 91 Fed. Reg. 2153.

Respondents contend that good cause supports their motion because the extension “will give the Moving Respondents the necessary time to review and analyze the allegations in the Complaint and provide fulsome responses.” Mot. at 1. Respondents also state that, “given the early stage of the Investigation, no prejudice will arise from this extension, and it will not affect or delay any other date in this proceeding.” *Id.* at 2.

Lacking opposition and for good cause shown, Motion No. 1478-001 is GRANTED. The response to the complaint and notice of investigation is due by February 16, 2026.

SO ORDERED.
