In The Matter Of

CERTAIN WEARABLE DEVICES

Investigation No. 337-TA-1478

**RESPONDENTS OURA HEALTH OY AND OURARING INC.'S
UNOPPOSED MOTION FOR LEAVE TO TAKE DEPOSITIONS OUT OF TIME**

Pursuant to Commission Rules 210.5, 210.34(a), 210.15, and the Ground Rules of this Investigation, Respondents Oura Health Oy and Ouraring Inc. (“Oura”) submit this unopposed Motion for leave to take two depositions out of time. Specifically, Oura requests leave to take the depositions of two Samsung corporate representatives, Dong Hyung Kim and Dong Hyun Lee, for deposition following the close of fact discovery. Samsung does not oppose this Motion.

On April 14, 2026, Oura served Samsung with the Notice of Deposition of Samsung Complainants pursuant to Federal Rule of Civil Procedure 30(b)(6), Rules of Practice and Procedure of the United States International Trade Commission, and 19 C.F.R. § 210.28(c). Samsung designated a number of corporate witnesses to provide responsive corporate deposition testimony during the fact discovery period. Following certain of the depositions, Oura asserted deficiencies with the knowledge and preparedness of the designated witnesses. Following the last case management conference, Oura also requested a deponent specifically knowledgeable on worldwide sales and investments related to Samsung’s economic prong domestic industry claims. In order to avoid any dispute on these issues, Samsung has offered the depositions of Mr. Kim and Mr. Lee, but due to scheduling conflicts beyond the parties’ control, the earliest date that Mr. Kim can be available for deposition is June 1, 2026 and the earliest date that Mr. Lee can be available

for deposition is June 2, 2026 (both in Korea time and each within four days of the close of fact discovery on May 29, 2026). Given these circumstances, Oura respectfully requests permission to take offer the depositions of Mr. Kim and Mr. Lee out of time on June 1, 2026 and June 2, 2026, respectively.

Good cause exists to grant this request. Specifically, the parties have been otherwise diligent in scheduling and working to complete all depositions within the fact discovery period set to close on May 29, 2026. Deposition testimony from Mssrs. Kim and Lee will serve the Commission's interest of compiling as full an evidentiary record as possible, and this request does not implicate any procedural schedule deadlines other than the close of fact discovery.¹ This request does not impact the deadline for motions for summary determination or the hearing date. Moreover, as this is an unopposed motion, this request will not impose any prejudice on any party. Accordingly, for good cause shown, Oura requests leave to take these depositions following the close of fact discovery.
