Proposal 1:

Henglin Home Co., Ltd

Proposal for adjusting the estimated external guarantee quota for 2025

Dear shareholders and shareholder representatives:

1. Overview of the Guarantee Situation

(1) Overview of the estimated external guarantee quota for 2025 in the previous period

The company's 2024 annual shareholders' meeting approved the "Proposal on the Estimated External Guarantee Quota for 2025," agreeing that the company will provide guarantees for subsidiaries within its consolidated financial statements with a total amount not exceeding RMB 1,023.89 million. For details, please refer to the "Henglin Co., Ltd. Announcement on the Estimated External Guarantee Quota for 2025" disclosed on April 26, 2025 (Announcement No.: 2025-010).

(2) Adjustment of the external guarantee quota this time

To better meet the needs of subsidiaries' production, operations, and business development, the company plans to adjust the previously estimated total guarantee amount. In 2025, the total guarantee amount for subsidiaries within the scope of its consolidated financial statements will be raised from no more than RMB 1,023.89 million to no more than RMB 1,047.17 million, an increase of RMB 23.28 million from the previous approved amount. Except for adjustments to the guarantee limit, all other matters remain unchanged. The validity period of the guarantee matters is from the date of approval at the third extraordinary shareholders' meeting in 2025 until the date of the 2025 annual shareholders' meeting. At the same time, the Board of Directors requests the shareholders' meeting to authorize the Chairman or an authorized agent designated by the Chairman to sign the relevant legal documents regarding the above guarantee matters. The specific adjustments to Henglin Co.'s external guarantee quotas for subsidiaries in 2025 are as follows: unit: ten thousand yuan

Note:

1. According to the latest rules, this announcement uniformly refers to "General Meeting of Shareholders" as "General Meeting of Shareholders."

2. All guarantors are Henglin Co., Ltd. Based on data comparability, except for Lista Office Group AG's exchange rate conversion reference date of July 7, 2025 (contract signing date), the exchange rate conversion reference date for all other subtotals and totals is April 21, 2025.

3. As of June 30, 2025, Anji Hengyou Technology Co., Ltd.'s asset-liability ratio is 68.53%, downgraded to a subsidiary with a debt-to-asset ratio below 70%.

4. If the sum and total of each sub-item data in the table are inconsistent, it is due to rounding.

5. During the authorization period, the company may adjust the guarantee amount between subsidiaries within the scope of the consolidated financial statements (including newly included subsidiaries) according to actual circumstances. Among them, if there is a surplus of guarantee quotas for subsidiaries with a debt-to-asset ratio of 70% or above, the remaining quota may be reallocated to provide guarantees for subsidiaries with a debt-to-asset ratio below 70%; If not, it will not proceed.

6. The above matters do not involve related-party guarantees and do not contain counter-guarantees.

7. Within the above limit, if the company needs to handle business within the guarantee scope, there is no need to convene a separate board of directors or shareholders' meeting for approval.

(3) Internal decision-making procedures

This matter has been reviewed and approved at the eighth meeting of the seventh Board of Directors of the Company and still needs to be submitted to the shareholders' meeting for review.

(2) Dishonesty of the guaranteed party

The above guaranteed party is not a dishonest person subject to enforcement.

III. Main Contents of the Guarantee Agreement

The above guarantee limits are based on the current business situation of the company. The relevant guarantee agreements have not yet been signed (excluding those already signed and in execution). The specific guarantee method, guarantee balance, guarantee period, and other terms shall be determined through joint negotiation between the company and the contracting party within the above

guarantee limits. The officially signed guarantee documents shall prevail. During the authorization period, the above guarantee limits may be reused, and the final actual guarantee amount shall not exceed the guaranteed limit approved this time.

4. Necessity and Reasonableness of Guarantees

The adjustment and supplementary estimate of the authorized guarantee limits for subsidiaries is mainly to better meet the daily operations and business development needs of subsidiaries, facilitating efficient handling of comprehensive credit and fundraising related businesses. Before providing guarantees, the company follows approval procedures in accordance with rules and regulations. The guaranteed party operates normally, maintains good credit status, and can effectively control guarantee risks.

5. Board of Directors' Opinion

This proposal has been reviewed and approved at the 8th meeting of the 7th Board of Directors. The Board of Directors believes that all guaranteed parties expected to be subsidiaries within the scope of the company's consolidated financial statements for this adjustment and supplementation of the guarantee limit will be subsidiaries, which will help promote subsidiaries in raising funds and ensure healthy development, and align with the company's overall development strategy and interests. The company has actual control over the guaranteed party, can promptly grasp its operating and credit status, risks are controllable, will not adversely affect the company's ability to continue as a going concern, and there is no situation that harms the interests of the company or its broad investors.

6. The cumulative quantity of external guarantees and the quantity of overdue guarantees

As of September 30, 2025, the company's external guarantee balance was RMB 536.6 million, accounting for 14.52% of the company's most recent audited net assets. Apart from the above guarantees, the company has no other external guarantees, nor any overdue guarantees.

The above proposal is hereby submitted to all shareholders and their representatives for review.
