Subject: Celestica Meeting update

Hi [REDACTED],

How are you?

I visited Celestica, Thailand last Friday and had a meeting with the Global Commodity Engineering team and they works on [REDACTED] programs.

From past few months [REDACTED] and [REDACTED] are not sharing much details to them on part#s and they have [REDACTED]. [REDACTED] was there when I was having a meeting with them and they were having a meeting with [REDACTED] too on few failures that has happened recently.

During the meeting we discussed in ViperFish [REDACTED].

- In ViperFish, [REDACTED] they are using the DC-DC from Flextronics. [REDACTED]

- o The Flextronics part# = BMR5150010/000B

- [REDACTED]

[REDACTED] Hope this information helps.

Apart from that Celestica has increased their 'Global Design Services' team to 300 people now split across Shanghai, China and Penang, Malaysia. They will be s [REDACTED]
[REDACTED], which can help us to understand about [REDACTED]
[REDACTED]
